**SHORTHORNS**

**Tuesday, Nov. 12, 1957**

-

**Wakarusa, Kansas**

Shorthorn breeding at its best ... through top sons of  
**BEAUFORT BARONY AND UPPERMILL WORDSWORTH**  
is available in abundance to you in

**TOMSOM BROTHERS BIG FALL SALE**

**TUESDAY, NOVEMBER 12, 1957 - 12:30 P. M.**

**At Tomson Brothers Farm - 4 miles Southwest of  
WAKARUSA, KANSAS**

*(Wakarusa is 12 miles south of Topeka, ½ mile west of U.S. Hiway No. 75)*

**C. D. Swaffar, Auctioneer**

**18 BULLS**

Every one sired by an outstanding son of Beaufort Barony, the bull we sold for \$5,000 to B. Hollis Hanson, Connersville, Indiana. He was by Cruggleton Pentland Firth, and his dam was by Cruggleton Perfect.

**49 FEMALES**

15 cows with calves at foot, 21 bred cows and heifers, and 13 open heifers. There will be 30 cows with calves at foot or bred to Uppermill Wordsworth. There will be 7 cows with calves at foot by Valiant Barony by Beaufort Barony. Included will be 8 two-year-old daughters of Westmere Compensation, top selling bull at \$4,000 in Chicago in 1952, and sire of the champion load of Shorthorn steers at Chicago in 1955. There will be 12 daughters of P F Fortune, outstanding breeding grandson of the noted Kirkton Baronet.

At the 1957 Topeka, Kansas Free Fair, the only show we exhibited at this summer, we had the first prize junior bull calf, and second and fifth prize senior heifer calves. All sired by Barony Inspiration, this trio won the first prize junior get-of-sire, and they all sell in this sale.

Tomson bred bulls have written much breed history in the show ring, on the farm and range. Their females also have been some of the greatest producers for the breed. Their Clippers, Claras and Missies are always the choicest productions, and their Augustas, Mayflowers and Marigolds are known the country over as some of the most reliable bloodlines to which to tie.

JAMES G. TOMSON, senior member of Tomson Brothers, is shown here on his favorite mount. No man has worked harder for the best interest of Shorthorns, and no man has more friends in the business today. He will be on hand to eagerly welcome you on sale day, as well as will James G. Tomson, Jr., and James G. Tomson, III ... three generations of cattlemen that span over 70 years of producing top Shorthorns.

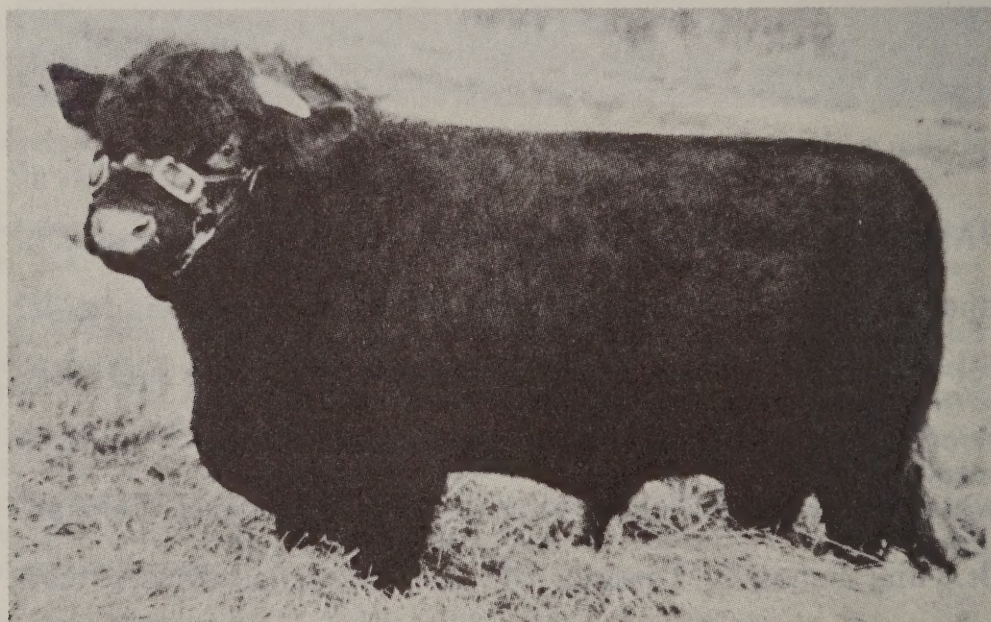

UPPERMILL WORDSWORTH as he appeared in the pasture recently. Charlie Durham, our herdsman, made this unretouched amateur snapshot with his Brownie camera.

Just a word about Uppermill Wordsworth: "This Durno-bred son of the high selling Westdrums Prince Maurice by Erimus Emeritus is one of the best legged bulls we have seen in a long time. He has tremendous depth and width with a full bulging quarter and great natural fleshing. His first calves cause us to be most enthusiastic."

## Here is His Sire

WESTDRUMS PRINCE MAURICE, top sire at the Burnette Stud in Australia, one of the largest Shorthorn establishments in the world. One of his first sons made 4,000 gns. at Perth in Scotland, 1956. Sired by Erimus Emeritus (imp.) he sold for 6,000 gns. at Perth, 1953. Dam, Westdrums Princess Maude.

5 d (88108) Cal. Prcss. Mona	by Naemoor Ian 209839 . . J. J. Moubray

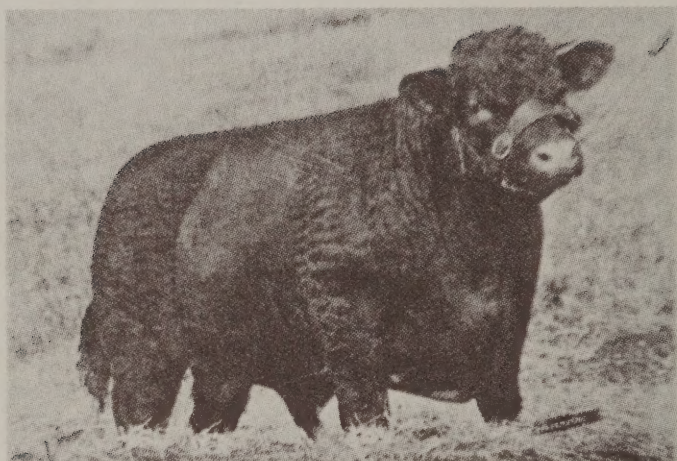

**CRUGGLETON PENTLAND FIRTH** - Has proved an outstanding breeder, and six calves by him averaged 1066 guineas in 1951. At Perth in February, 1952, his average went up to £2467 10 - with a top price of 4100 guineas. Another of his sons, Beaufort Bulldozer, was sold privately in the autumn for £5000. Now in service at Edellyn Farms.

**CLUNY VICTOR** - Was shipped by the Scottish Cattle Company to Senor Martinez de Hoz, and was sire of the supreme champion at Palermo in 1950, and was himself a 2d prize winner at Perth.

**PRINCESS PAMELA** - Won 1st prize at the Royal Show at York. She also won at the Royal Highland Show at Inverness, besides many other local events in Scotland. Her bull calf, Beaufort Breakwater (also by Cruggleton Pentland Firth), was sold privately to Mrs. Leishman of Australia for £1500.

**BEAUFORT BARONY** - Was purchased by us in the 1953 Perth Sale. We used him freely in our herd before selling him to Hollis Hanson for use in his Hanson Heights Herd. Many breeders rate him as an outstanding sire. He sired a remarkably good lot of calves in our herd, and we are offering his grandsons and granddaughters in this sale. We think you will agree that they are an outstanding group. Their good heads, deep bodies, smooth flesh covering, and broad, full quarters, well placed on strong legs, are pleasing to all who see them. His half-brother, Beaufort Bulldozer, in service in the Edellyn Herd, sired both Grand Champions at the International in 1954.

BARONY SCOTSMAN 35th, by Beaufort Barony. Reserve junior and reserve grand champion at Indianapolis and Memphis for Hollis Hanson. This bull topped the "Blue Ribbon" sale when he sold for \$1,525 to Bihl Bros., Wheelersburg, Ohio.

### **Plant "TOMSON BROS."**

**Breeding In Your Herd And**

**Harvest Outstanding Calves . . .**

Many of the nation's strongest herds have done exactly this in the past 70 years, and many can and will be still doing it in the years to come. This sale, of course, features a grand, young set of bulls and females, all grandsons and granddaughters of Beaufort Barony. I believe people are going to like these good-headed, smooth, thick, soggy "Barony Bulls And Females."

Another feature, of course, is the valuable service of the young imported bull, Uppermill Wordsworth. He is one of the "soundest" bulls we have ever seen. He is big, rugged, exceptionally correct on his feet and legs, with a lot of natural fleshing and a bulging quarter.

It is a good time to add some of this Tomson Brothers seed stock to your herd, and profit in the good times that are ahead for the beef cattlemen.

**Standard Guarantee of the  
American Shorthorn Breeders'  
Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
